1 Light Bath Vanity

In the Hidalgo collection, an unmistakable Spanish influence meets modern sensibilities for an ideal complement to the transitional home. A bold cylinder of Opal Glass forms a strong vertical line and resembles a pillar candle. The warm glass is coupled with the warmth of the Sovereign Bronze finish. The Hidalgo 1 light bath fixture boasts a decidedly rugged charm that is softened by the decorative scroll detail for a look that complements both contemporary and rustic decors. Traditionally, sconces are popularly used in halls, stairways, and foyers, but this 1 light fixture is UL approved for damp locations. This fixture may be mounted with the glass facing up or down.
