

**8476-TL**  
*Kendall*

1-100W Edison Base  
*Table Lamp, 28"H x 15"D*

The AF Lighting 8476-TL Kendall Table Lamp is hand crafted of antique mercury inside glass with metal accents of oil rubbed bronze. It's topped off with a dark stain natural cork hardback shade and uses a 100 watt bulb (not included). This versatile table lamp is part of the Elements series and works in many transitional decors. Due to hand crafting, no two are alike.
