# **ZIRCON**

548-23-VB

The gem-inspired Zircon dazzles with charm. This single-light sconce is distinguished by an elongated shade that tapers in at the center like a slender hourglass. Etched light bronze glass lends a moody, romantic look, accompanied by a Vintage Brass finish on the metalwork Nodding to the shape of the shade, a decorative loop suspends the fixture at the top like a dangling earring. The backplate serves as a frame for this jewel, catching the eye as it reflects light.
